

Attn: Delegate,

Thank you for your interest in participating in the International Conference on Virology, Immunology, and Emerging Infectious Diseases(VIEID2024). The Conference will be held at the NW Conference Center Washington D.C United States from April 10th to April 20th 2024.". Please be informed that all interested delegates that require an entry visa to attend this meeting in the United States will be assisted in obtaining a visa in their passports.

The Theme of the Congress is: Promote the latest advancements, research and developments, explore the challenges in Virology and Bacteriology related areas and share innovations, research, and ideas on pathology for a greater development and more effective treatments.

We have selected a worldwide representation of professionals from several European, Western and Asian countries with recognized expertise in this topic. This Congress will bring together practitioners, researchers and educators from around the world.

Registration Terms and Conditions:

The following terms and conditions set out the legal rules applicable to the (VIEID2024) Congress. Participants shall be bound by these terms and conditions upon registering for the Congress and are advised to read and understand these terms carefully before registering. The Organizer will not accept any conditions contradictory to or deviant from these general terms and conditions.
